

## Foundation Report and Grant Activity for 2023

Our community boards had their work cut out for them this year. They did their due diligence in making thoughtful decisions that best serve York, Chester and Lancaster Counties. In addition, we have had a few members come to the end of their tenure. So, we have added a few new members to our boards beginning in 2024. Check out the “About” page on our website to see our board members.

In addition to the community board grants, the Board of Directors approved another \$400,000 in grants that include giving to the United Way, Carolina Community Care, and the Backpack programs to name a few.

Don't forget about our Interest Free Student Loan program that is managed by Karen Yarborough. Applications for the 24/25 school year are due July 1, 2024.

The Close Scholar Program at Winthrop continues to thrive. It has been in existence now for 25 years. Angie McCrae continues to serve as the advisor for this group.

In closing, Tammy, Lucille, Karen, Angie, and I appreciate all your efforts to constantly strive to improve the quality of life for our residents in need.

Sincerely,

*Michele Lineberger*
