Financial Aid

All Student Loan Applicants Must File For Financial Aid.

- All applicants must fill out a Free Application for Federal Student Aid form (FAFSA). This form may be obtained from the high school Guidance Office, the Financial Aid Office at the college the student plans to attend, or online at www.fafsa.ed.gov.
- Copies of the analysis reply should not be sent to The Springs Close Foundation but should be directed to the college.
- Since many of the financial aid programs administered by the school provide the student financial aid on a grant basis rather than a loan basis, all applicants for loans from The Springs Close Foundation are required to file for financial aid at the school they plan to attend. Final decision on the request for a Leroy Springs Student Loan cannot be made until the college notifies the Foundation regarding other financial aid awarded.

OTHER FINANCIAL AID

Students applying for a student loan will find that York Technical College is a participant in one or more of the following financial aid programs.

Pell Grant - Program funded by the federal government for students who can show financial need.

Federal Supplemental Educational Opportunity Grants (FSEOG) - Generally restricted to undergraduate students with exceptional financial need.

Federal Work-Study (FWS) - Jobs assigned by financial aid officer with earnings limited to financial need of student.

S.C. Need-Based Grants - These funds are available to students attending public colleges and universities in South Carolina and are awarded on the basis of financial need. They are available to legal residents of the state. Total funds may vary from year to year, depending on appropriations from state government.

Students must inquire about these programs and other possible aid at the college in which they are to be enrolled.

Interview Procedure

Frequency of Interview: An initial interview will be held after the first application is received. The next year, the interview is not required but the student must furnish a current transcript and evidence that financial need still exists.

Schedule of Interview: Interviews will be scheduled by a member of the Student Loan Committee. The applicant will be given notice of the date, time and place of the interview.

Attendance: At the interview, the applicant must be accompanied by their father and/or mother or a legal guardian.

Responsibilities: All applications will be reviewed prior to the interview to see that requirements have been met. The interview will be conducted, counseling provided and recommendations on each applicant will be made.

Applications that are approved: Upon approval, The Springs Close Foundation will notify the applicant in writing and give instructions regarding any forms necessary to complete the loan.
