

## **Lancaster County**

### **Patient Assistance Fund**

The Patient Assistance Fund is used to assist our patients with what they may need so that barriers do not interfere with the patient's health care. We have used this fund to help patients with transportation, medications that were not covered by our collaborating partner, Welvista, an appointment with a medical specialist, x-rays, etc. Round trip transportation with LARS (Lancaster Area Ride Service) from Lancaster to Rock Hill is \$20 round trip.

\$20/round trip from Lancaster to Rock Hill x 50 trips = \$1,000

### **Office Supplies**

Office Supplies including binders, file folders, printer paper, toner, staples, etc. \$30/month x 12 months = \$360

### **Phone and Internet Services**

Allow us to communicate with our patients: \$30/month x 12 months = \$360

### **Medical Supplies**

Medical Supplies including PPE (masks, gloves, gowns), cleaning supplies, gauze, tape, ibuprofen, syringes, AED pads, pap supplies, lab supplies, biohazard containers, epinephrine, diphenhydramine, alcohol prep pads, tongue depressors, lancets, diabetic supplies

\$50/month x 12 months = \$600

**Strategic Planning Session - \$4,000**
